

President Don Medley brought everyone to order. We had 16 members present. We welcomed 2 guests: Frank and Maria Gutierrez, neighbors of Herman and Pat. Pat was also able to join us Tuesday.

*Today's guest speaker*

**Don Medley – 2009-2010 President**

Don shared with the club some of his hopes and ideas for the year to come based on feedback from the surveys we completed and other outside discussions. Some of our goals include:

- Meeting/exceeding our growth goal of 9 new members – having a membership program
- Speaker gifts are now going to be a book donated to the library autographed by the speaker
- Possible quarterly “social event” in the evening with the Tuesday group and the satellite club
- Possible club “Chaplain” - now taking volunteers!
- Setting up necessary committees for upcoming events

Don also shared some information he had acquired about programs available to participate in as a club such as the BUG program, Payless Shoes – shoes for needy children, and Dolly Parton’s program that provides books to children.

*Announcements*

- Joe reported that about 200 people were served Sunday at the Relay for Life Pancake breakfast. Everyone who was able to participate did a great job and we had several compliments for our Kiwanis and their participation. Kudos was given to Allen and the team for a job well done.
- Peanuts will be delivered in the next couple of weeks. Those members who purchased boxes can pick them up at a Tuesday meeting when the peanuts come in. They will be here in time for Halloween.
- This was the first Tuesday of the month, but Pantry donations were scarce. Please feel free to bring in donations at any meeting if you forget on the first Tuesday, or you can make a monetary donation at any time to Cecilia.
- Book Buddies started back up mid September. We need to get more people to sign up to read on Tuesday afternoons to the kids. It’s an amazing experience and the children are so excited to spend that time with us. See Ron if you would like to pick a Tuesday.
- Don has Kiwanis patches if anyone is interested. They can be sewn on a jacket or shirt.
- The Rose Bowl board is slowly filling up. There are about 45 spaces left to purchase for a chance to win the Rose Bowl medallion. Each space is only \$5, so make sure you see Bob to get yours right away!
