

We had 5 members from the East Ventura club visiting today. It was a very nice interclub.

Today's guest speaker

Marge Leszczynski

Marge shared her biography with us. Thank you so much for sharing such wonderful information about your life! It was great to get to know you a little more.

Announcements

Don announced that for last year, our club:

- Provided approximately 5872 service hours
- Contributed 14147 towards scholarships and other educational awards

Also, we are still looking for fundraising ideas, so please share any ideas you may have. An Oktoberfest will be considered for next October as we are a bit short on time this year. All Chairpersons of upcoming events for 2009-2010 have been asked to present event dates to Don so that we can coordinate our efforts and start planning.

The Satellite Club meeting was held on the 12th. Check out the blog for specifics of that meeting.

The Club Standing Rules were passed out and inspected by members present. Acceptance of the rules as stands was moved by Ron Shively, seconded by Walt Metcalf and passed.
