

Camarillo Kiwanis Highlights

10/27/09

Welcome to the Thousand Oaks club today! We always enjoy your visits!

Today's guest speaker

Gary Aanerud

Today was a presentation about The Kingdom Center facility in Ventura. Located at the old City Motel on Thompson St., the previous dilapidated hotel of 30+ rooms is being renovated to house between 60 to 70 homeless people and families as transitional housing. The Center will provide a safe place for people to live while enhancing life skills and education that will help these individuals and families. For more information, you can visit their website at www.thekingdomcenterventura.com.

Next Week:

Guest Speaker – Captain Andy James of California Highway Patrol

PLUS – Next week is Key Club week and our Tuesday meeting will be run by our Kiwanis Group from Rio Mesa! Come support our youth as they flex their leadership skills!

Announcements

The Thousand Oaks club announced their "Wheels to the Sea" for November 7th. Anyone who would like to participate is welcome. The T.O. Kiwanis Club will be cooking breakfast down in Sycamore Grove and would love to see us there!

Las Colinas Builders Club has made their Halloween wreaths for our Seniors again this year. They are delivered on Thursday with the Meals on Wheels program and are much appreciated by the Senior community that we serve.

Our Meals on Wheels program is full for the Thursdays in November, but if you have not had the chance to sign up yet to deliver and would like to, Frank still has openings in December that need to be filled.

Peanut Day is quickly approaching. We have done such a great job selling this year, we are almost out. We will have sign-ups for the different locations. There will only be one 3-hour shift per location and when we run out, we're done. If you would like to sign up, Ted will have the locations.

If you didn't get a chance to put your volunteer hours on the sheet that went around today, please make sure respond to the email that will be going out. We want to know what you're doing out there! And for those of you that worked so hard on the Relay for Life venue, don't forget to include those hours.

We had Mr. and Mrs. DeMello stop by to request our sponsorship at a local event in conjunction with The Josephine DeMello SIDS Foundation. It would provide an opportunity to educate the community about SIDS (Sudden Infant Death Syndrome) as well provide fundraising opportunities for both the foundation and us. The request will be brought up at the next board meeting.

Save the Date!

5k / 10k race – April 10, 2010. Put the date aside for volunteering and start getting a list together of possible sponsors for our event. We will be providing a brochure again this year. This is one of our big fundraisers for the year. Let's make it phenomenal!

Inspirational thought for the week

Volunteers are not paid -- not because they are worthless, but because they are priceless. *_Unknown Author*

Today's Trivia: What do Presidents Bill Clinton, George Bush, Herbert Hoover, Ronald Reagan, James Garfield, and Henry Ford all have in common?

They are (were) all left handed!
