Lt. Fred Hettling – US Navy

Frank arranged to have Navy Lt. Fred Hettling provide us with information on the "new" Navy. The information blows your mind! From new armaments, to new ships the new navy is nothing like the Navy I remember. The Lt. is responsible for the managing of testing and educating the use of the new equipment.

He explained how the Navy is equipped to handle emergencies anywhere in the world. Material is still shipped primarily by ship, thus the need to have a well equipped navy.

New ships that require less manpower, remote ships that are "manned" from shore based personnel and guns that do not use black powder but use electronic equipment. It was one of the most interesting programs we have had. I hope we could have him back to continue the story. (Provided by Ron Shively)

Announcements

Darryl invited everyone to participate in staffing the annual **Giving Tree** in the T.O. Mall on behalf of the Children's Services Auxillary Please see Darryl for more information about date and times.

Kiwins had their fall rally and boasted a group of 71 young people. They raised around \$230 during the rally to benefit PTP (Pediatric Trauma Prevention).

This year for Christmas, the Kiwanis Club of Camarillo decided to partnership with our **Aktion** Club for our Christmas Outreach project. They are making Hanukkah and Christmas stars/stockings for the shut-ins in the nursing homes that we presently work with. They are asking for toiletries to put in the bags. We are looking for items that are small like shampoos, conditioners, scented soaps, perfumes, aftershave, etc. Please deliver the items by December 1st as the Aktion Club will be working on the gifts Dec. 3rd. You can find small travel items and trial sizes in most stores.

Dec. 1 is the first meeting of the month, so don't forget your donations for the **food pantry!**
